- ✓ We use a dust control product called EDP (Emulsified Dust Palliative), it is a penetrating oil that may not be totally evident on the surface
- ✓ NO REFUNDS OR PRODUCT GUARANTEES. There are many factors beyond the control of the Township when considering how a dust oil product will work (i.e. weather, traffic).
- ✓ I am ordering dust control with the knowledge and understanding that from time to time the Township must do road maintenance which may include ripping up said dust oil.
